Hello [redacted],
Hope you are feeling well. How does the afternoon of Monday 8/24 work for you for a video conference? I've spoken with our team and that seems to be the best date for us right now. If that doesn't work please let us know any other dates that may be better for you.
Thanks again,

Subject: Video Conference

Hello [redacted],
Was nice speaking with you earlier and wishing you a speedy recovery from your oral surgery. I will contact the prosecutors on the case and see what everyone's availability is for the next couple of weeks and we will go from there. If you decide that you prefer to have Sigrid involved that is fine just have her reach out to either myself or the prosecutors.
Thanks again,
