I'll follow up but the harassment is getting worse

She is getting text messages and the like from reporters still which she ignores

The only concerning thing I have was today someone sent her a video of Jeffrey Epstein to her YouTube account. She didn't know she had one until she got a notice about it.

I don't know what can be done to get these reporters and media people to stop as they seem to not understand the answer "'no'"

Hi Daniel,

I wanted to follow up to check in—please let us know if you're having any issues connecting with the FBI's victim coordinator, or if there are any other concerns we can address.

Thanks,
