[REDACTED] fan club is requesting a transcript of the opening. Can you please let me know whether it's okay to send Martin the public transcript from yesterday, attached?

Subject: [EXTERNAL] [REDACTED] Fan Club Request

[REDACTED]

Hope you're doing well. I am having a good time although I miss you and the Office, and I am still trying to figure out what to do with my brunches now that Heights Café / Giulia's is for-real gone.

I have a special request. I am a massive [REDACTED] fan, having done the [REDACTED] retrial with her back in the day. And my partner and former Office guy [REDACTED] is one of her mentors and counts himself a massive fan also. We weren't able to be there for the opening yesterday. We'd love a transcript. Can you get us one?

Thanks,
m
