Hey, I think we'll plan on starting stamping early tomorrow afternoon. Let me know if we should be holding off on certain folders for your review.

Hi [REDACTED],

I indicated a few additional folders that should be deleted:

- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED] (I could not change the title of this folder from "To Discuss" to "Delete")

I am done reviewing the first 100 folders so if you want to get started stamping, please feel free. (If you are planning to start tomorrow, let me know as I may look back over one or two folders).

Thank you again!

Hi [REDACTED]

Thanks for all your work on this project. I few things from my review, though I'll likely send some additional things tomorrow:

- The [REDACTED] folder contains just one report, and I think that goes in the [REDACTED] folder instead. Please move it and delete his folder. Same thing for the [REDACTED] folder.
- [REDACTED] are the same person and the folders can be merged under the name [REDACTED]
- [REDACTED] is the same person as [REDACTED], a potential testifying witness. Could you please move those materials and delete the folder?
- The stuff in the [REDACTED] folder should actually go in the [REDACTED] folder, and you can delete the one for Pry once the stuff is moved over.

- In the [REDACTED] folder, there's a transcript of a deposition of Mark Epstein. Could you please move that into a new, NTW folder for him?
- [REDACTED] could you please move these to the not-a-witness folder you created? We'll deal with the contents later, but not in the context of the NTW production.

Thanks!
