Yes, we went with the conservative approach of pulling all the emails in the folder.

[REDACTED] is traveling. I took a look in the folder - it looks like you pulled all of the emails for the second production, right? That seems right to me, thanks again.

Hey [REDACTED],

Should all of the emails in the folder be pulled or just the ones found in the "Emails Epstein Investigation" folder?

Thanks,
[REDACTED]

Hi [REDACTED]

For this folder, could you please pull the emails that are in the folder and put them in a second production folder? We'll review them later for a second wave. Thanks!
