Hi,

My name is [REDACTED] and I reside in NH. I have been reporting a group of wealthy real estate developers, nightclub and restaurant owners, along with rogue police who cater to them, donate for them, and seemingly offer private police services to them.

One of the MA troopers is the brother of the nightclub owners and he's close to pedophile wealthy developer Wm. O'Connell. (arrested for statutory rape and cocaine trafficking)

I have come across new information which leads me to believe the above group is tied to Epstein, and even Ghislaine, but definitely the million dollar homes where she lived and the LLC's connected to them.

I have attached these documents on both a Google doc and PDF file for your viewing.

I know this group, with the exception of the pedophile and nightclub owners, because I was married to one I divorced over twenty years ago, I dated another, and socialized with them. I have been compiling their corruption for over ten years and have received enormous amounts of abuse and crimes committed against me for doing so, and LE hasn't done one thing to stop them.

But, I'm still here sending my reports on them, and they're still issuing threats. This pedophile's victim was killed in a fiery crash one week before his trial was to begin, so he got off those charges. But the similarities between both he and Epstein are astounding, but I'm sure they knew him. See attached,

Bill O'Connell
