Ah perfect, thanks – and sorry to have not run it by you two before sending, I just figured it would go through so many rounds that I figured I could incorporate any edits from you guys further down the road (once we're all done with actual important stuff). And copying [REDACTED] in case she wants to look after the GJ stuff is finished tomorrow! I'll put these in along with whatever comes from the chiefs – and thanks in particular for catching that I accidentally swapped the maxes :)

In case it's helpful, I put a few edits to this in the attached. Thanks so much for taking the lead on it.

I imagine this will go through many rounds of edits, but just to put something down on paper with plenty of time in advance – see attached. I'll be out of pocket tonight (unless there's anything time-sensitive), but can turn edits tomorrow no problem if that's useful.

thanks,
