Ah, good catch--I don't think so. The only instruction I received is the attached (which is preponderance of the evidence). Could one of you please send me a copy of or steer me in the direction of where to find the reasonable doubt instructions (I don't obviously see it on the shared, sorry if I am missing anything)?

I will be departing 1SA around 7:15am tomorrow (courtesy of [REDACTED] and [REDACTED] who helped arrange for a CSO to drive me with our materials to the site), so if there's anything else you need please let me know before 7am.
