Thanks very much. How terrifying, and how remarkable that he is remaining so optimistic.

I don't mind sharing as long as it remains confidential. You can share with [REDACTED] as well because it may also impact our QPDF case, but please keep it confidential beyond that.

My simple advise is to enjoy EVERY day with your loved ones, especially your children, and never take your health for granted.

I'm glad to hear that you're home. If you're comfortable sharing, I'd love to know what's going on. Regardless, thinking of you.

[REDACTED] and [REDACTED]

I hope you and yours are doing well and staying healthy.

We do not yet have a final version of the suicide reconstruction report, as far as I'm aware. Have you received this from BOP/MCC? If so, could you send it to us? If not, could you reach out to your contacts at BOP for the final version or an estimated completion date?

Thanks,
