Mike,

Regarding the conference tomorrow, we don't currently expect to make any arguments based on new facts, but we will respond to any questions from the Court as appropriate.

We will make best efforts to bring the passport, if we're able to do so and if chain custody can be maintained. In any event, you are free to schedule a time with us to review the passport and any other physical evidence that has been collected.

Thank you, [REDACTED]. Much appreciated.

Quick question – are there any facts or arguments that you envision making tomorrow that are not contained in your written submissions?

Mike
