Hi [REDACTED]

Attached is an index listing the subpoenas we have sent out and an indication of whether we have received a response. I only marked an entry as non-responsive if we received nothing from the entity. For instance, if we received a letter stating a lack of records, that was still marked as yes. So for any entry labeled "No", we received nothing. If you have any records we are missing please send them over, and if we have any outstanding subpoenas the AUSAs are hoping you can check in with the entities.

Let me know if you have any questions, or if I can be of any help.

Thanks,
Andy

Hi [REDACTED]

Thanks again for helping with this project. By way of introduction, I've copied Andy Hamilton, a paralegal in our unit. If you could please connect with Andy to discuss this project, that would be great. I've spoken with him about what we're hoping to accomplish, so he can bring you up to speed, but if either of you have questions, please let us know.

Thanks--
