### Notice to those who use this form to request a subpoena

Before requesting and serving a subpoena pursuant to Fed. R. Crim. P. 17(c), the party seeking the subpoena is advised to consult the rules of practice of the court in which the criminal proceeding is pending to determine whether any local rules or orders establish requirements in connection with the issuance of such a subpoena. If no local rules or orders govern practice under Rule 17(c), counsel should ask the assigned judge whether the court regulates practice under Rule 17(c) to 1) require prior judicial approval for the issuance of the subpoena, either on notice or ex parte; 2) specify where the documents must be returned (e.g., to the court clerk, the chambers of the assigned judge, or counsel's office); and 3) require that counsel who receives produced documents provide them to opposing counsel absent a disclosure obligation under Fed. R. Crim. P. 16.

Please note that Rule 17(c) (attached) provides that a subpoena for the production of certain information about a victim may not be issued unless first approved by separate court order.
