

July 16, 2009
cellie Garcia (entire time)

out

regular guards in SHU
Morning - "G"
would know by face

M/W/F
showers } only time would pay attention to inmates
only other time, would have to yell to get something

they do counts when wanted - not regular counts like ~~that~~ he knew from past

to get into QS, would have to call to be let in laundry mat

described what he remembered about layout of SHU and MCC

96 people in SHU / 48 cells

at incident
- happened
- guard
tried to hit
hang

overnights checks

would remember/wake up when

midnight / 3am / 5am

→ don't remember them actually being done

after "incident"

guards

don't know name but knows in news

~~people~~ inmates would yell things
about him

C.O. would make fun of him -
very freedom

always would be w/ lawyer -
so would hold up other inmates
to see attorney

Cellmate of guy → used to be P.O.

incident 1:20a/1:30a no check @ midnight

reading book

hear C.O. [redacted]

guy's cellmate - screaming/banging for C.O.
everyone inmates

could see guy's door - right across
but couldn't see

C. [redacted] more than 5 min to come to area
had no key

went to get key → came back

open

2 C.O.s
middle age white comp [redacted]

→ 6'3"
260/270
Black

→

heard a thump like something hit floor
could see hands stretched out
C.O.s pulled out of cell / face-down
looked blue - looked dead
no CPR - C.O.s just looking @ him -

no doctor
guy already cut

stretcher → put on floor and picked up &
dropped guy and hit ground on stretcher
all inmates start screaming & hitting
doors when dropped

→ on his face
had to flip him over dropped him again on back of his head
only wearing underwear

took him away

+ Lt.
C.O.s then talked about came back

took out
blankets &
everyone

and cleaned cell

with video

camera off

in turn
after

had
taken
cellmate
out again

Lt. had the video camera

2 orange
socks & orange
towel - tied together

started filming / camera
again after cleaned
out cell

cellmate was sleeping
→ said thought died - tried to
kill himself
from ladder of bed

5th char after incident brought phone to make call - didn't have to wait

would start doing more checks w/ flashlights

heard by guards
guys suicide watch

12 + 6 → would usually be asleep during 3am check

Tues into Wed
released on Fri 20th
