No problem, thanks, and the edits were all straightforward. Updated version attached, everything incorporated, and can go to [REDACTED] – I'm out of commission the next couple hours but back after that.

thanks,
[REDACTED].

Sorry for the delay. Combined edits from both of us, attached. Can you take a look and clean up – we would then like to give [REDACTED] at least the option of weighing in before we send to defense counsel.

Wanted to bump this from Tuesday, especially since I know you guys are out tomorrow – hopefully we can send it out today? Happy to incorporate any edits etc. Thanks.

This has been in the works for a little while, due to various other things that have come up in the interim, but we didn't want it to get lost given the discovery motion schedule. The attached is based on our conversations with [REDACTED], including his email with suggested language for the prefatory language, and responds to the two attached defense letters. Happy to discuss anytime and to incorporate comments and suggestions.

thanks,
