Marty,

Our expected timeline was extended slightly by the follow-up letter received on August 1, but my hope is that we will be sending a comprehensive response tomorrow, or if not, no later than Monday. We will let you know Monday if for some reason that estimate has changed.

thank you,

[REDACTED]

[REDACTED], can you advise us when we will receive a response to our letters of July 26 and August 1 seeking preservation (or production) and asking for you to advise other relevant party's of our preservation request.

I would particularly ask that you provide us with a reply to the request that you advise others such as the eg AUSA's in the ND Ga, and CEOS and AUSA [REDACTED] of our request that relevant records be preserved pending discovery/production requests that are due on Sept 13. Thanks, Marty
