I think we will probably want to talk to him more than once, and it may take him time to line up resources on this, so if it's ok with you why don't we talk to him briefly to explain the timeline and issues. That way, we can forward him the filing when it comes in and he'll be prepped to look into it.

Yes, but I think it would make more sense to schedule this call for Tuesday so that we already have Maxwell's bail application when we speak with him.

Hi [REDACTED],

I hope you're doing well. Ghislaine Maxwell is filing a renewed bail application on Monday, and we expect that the motion will raise issues relating to the possibility of extradition from France. Are you available for a call on Monday for a few questions? I know we discussed this issue over the summer, and it would be very helpful to ask a few follow up questions.

Thanks very much,

[REDACTED]

Hi [REDACTED],

Do you have a moment this week for a quick call? I have a few questions about the extradition process in France generally, and it would be helpful to discuss.

Thanks very much,

I am putting you in touch with [REDACTED] who is working the Maxwell/Epstein matter in SDNY. She has some questions about the probability of extraditing someone from France who has dual US/French citizenship.

Thx,
