Hi [REDACTED] – FYI, Congressman Lois Frankel from FL left [REDACTED] a VM saying that Congress wants to look into the Epstein case but one of the victim's lawyers said she should reach out to [REDACTED] first. (Unclear how this would fit under her [current committee assignments](#) on the Appropriations Committee and Veterans Affairs Committee...) My thought is that this should be routed to OLA and they should handle the request/response in a more formal way; do you have a different view? If you agree, who's the best person to reach out to? Thanks very much.

[REDACTED],

This afternoon, I received the attached voicemail on my cellphone. Jack Scarola, who represents [REDACTED], had told me that someone from Congress had reached out to him about the Epstein case, and Jack said he'd provided them with my cellphone number.

When would be a good time to discuss?

Thanks,
