Don't shoot the messenger. CID wants a 1530 daily phone call with NY for daily updates. I'll provide the bridge line info tomorrow.

Thanks, [REDACTED]...and sorry about all of the questions, e-mails, and phone calls.

For now, PM [REDACTED] will be the POC for CID. Please also cc me on everything. That way, if I get pinged late or early, I can try to minimize the disruption to NY.

Copy. Our plan will be end of day reporting Mon - Fri. Having just gone three weeks straight and with the case slowing to a normal investigative pattern, at this time I don't foresee us working weekends. If that changes it would be due to a significant event which we'll brief up.

Just let us know who the designated CID POC is.

Thanks

Copy...thank you. Since it's coming through [REDACTED], it would make sense for updates to be sent to me and [REDACTED]. I'm sure ICVCU will appreciate the break. I'll confirm and let you know.

I was just getting ready to shoot an email to [REDACTED] that we won't have anything for today. We are planning for Mon-Fri reporting.

We are consolidating all reporting (VCAC, VC, and CR) through [REDACTED]. Assume CID will be consolidating too? Is that through you or the VC side?

See below. The VC squad has nothing planned for today on the Epstein case. Can we make sure VCAC has nothing planned as well?

Per NY, no updates planned for this weekend by VC Squad.
