Hi [REDACTED],

I'm out of the Palm Beach RA. I think we've spoken in the past, but I got your email from [REDACTED] on my squad.

Reaching out tonight on behalf of SA [REDACTED] (Atlanta Division, and cc'd here) who was hoping to get your team some information. [REDACTED] is the WMD Coordinator for Atlanta and has an FAA Contact that just provided

Atlanta with some information on Epstein's black Jet Stream, which is sitting at ATL. [REDACTED] reached out to us to inquire where to send these documents.

Would you kindly advise? Happy to e-introduce you guys. Please let me know if I can help out further in any way. Thanks.

Best,
