Hi [REDACTED] here.
[REDACTED] is in an extensive meeting with DCF. She has been given the ultimatum of the case or leaving her children. This new case has caused her to relapse and we are sending her to trauma therapy. She is not mentally able to handle the case and issues with her children right now. Maybe in a month we can try again. But, I am kindly asking that I be notified so I can prepare her. I apologize for any inconvenience. Any questions, please feel free to reach out to me. I am a protector of my children, more so when they are in a crisis situation.
